

WEBINAR INVITATION

DE GRUYTER

JIAS cordially invites you to a webinar titled

Borders, Covid-19 and the Global Depression 2.0

ABSTRACT ▪ A few weeks before the arrival of Covid-19, we published a special issue of New Global Studies on borders and globalisation (<https://www.degruyter.com/view/journals/ngs/13/3/ngs.13.issue-3.xml>). With the global pandemic, border-thinking is on steroids. Countries, regions and cities have all rushed to close borders. The world's extreme inequities are laid bare. What will happen next?
